### **Electoral Board Reports**

Mr. Brown reported that there is a great deal of interest in the Governor's decision to issue a blanket felony voting rights restoration. Additionally, Mr. Brown indicated that the constitutional questions for the November ballot could lead to an increased number of voter inquiries at the polls on Election Day so we must remind election officers that they may not answer questions about the amendments; they may only refer voters to the printed informational material provided by the state.

### **Election Officer Addition and Deletions**

Ms. Leider provided the Board with a list of additions and deletions to the list of appointed election officers (Attachment). The Board reviewed the list and Mr. Powers moved to approve the election officer additions and deletions. Ms. Kellom seconded the motion and it passed unanimously via a roll call vote.

### **Report from Elections Office**

Ms. Leider provided the Electoral Board with a draft of the new voter registration application and corresponding administrative regulations. Additionally, she provided an update on the FY 2016 budget, the March 1 Presidential Primary reimbursement, office personnel staffing, polling place moves and preparations for the November Presidential Election.
